Flexible & Tailored Service

We understand that every individual and their rehabilitation needs are unique. At UKIM Rehab, we provide a flexible service that meets the specific requirements of your client. Whether it's arranging treatment promptly or at a location convenient to them, we ensure a personalised approach to your client's recovery journey.

Expert Therapists for Personalised Care

Our therapists are highly qualified professionals who are carefully matched to meet your client's needs best. With their expertise and experience, they provide personalised care and tailored treatment plans to facilitate a speedy and effective recovery.

Direct Contact for Hassle-Free Appointments

We believe in simplifying the process for you and your clients. That's why we offer direct therapist to client contact to arrange appointments. This streamlined approach ensures efficiency and convenience, allowing your client to focus on their recovery journey.

Trusted and Registered Professionals

Our therapists are registered with the Health and Care Professions Council (HCPC) and the Chartered Society of Physiotherapy (CSP). This accreditation guarantees that your clients receive care from qualified and trusted professionals committed to upholding the highest standards in their field.

Nationwide Coverage

With over 700 clinics across the UK, we provide widespread accessibility to our rehabilitation services. Your clients can benefit from our support no matter where they are located, ensuring convenience and ease of access to essential treatment.

Fixed Fee Services

We understand the importance of transparency and financial stability. Our fixed-fee services allow you to plan effectively, providing cost certainty for your clients throughout their rehabilitation process.
